RULES for a SHORT GAME (60-90 minutes)

There are **four rule changes** for this Short Game.

- During PREPARATION, the Banker shuffles then deals three Title Deed cards to each player. These are Free.
 No payment to the Bank is required.
- 2. You need only three stands (instead of four) on each location of a complete colour group before you may buy a arena. Stand rent remains the same. The turn-in value is still one-half of the purchase value, which in this game is one stand less than in the regular game.

- 3. If you land in Jail you must exit on your next turn by (1) using a "Get Out of Jail Free" card if you have (or can buy) one; (2) rolling doubles; or (3) paying ★50. Unlike the standard rules, you may try to roll doubles and, failing to do so, pay the ★50 on the same turn.
- 4. END OF GAME: The game ends when one player goes bankrupt. The remaining players add up their: (1) Money on hand; (2) properties owned, at the value printed on the board; (3) any mortgaged properties owned, at one-half the value printed on the board; (4) Stands, counted at the purchase value; (5) Arenas, counted at purchase value including the amount for the three stands turned in.

The most powerful player wins!

PLAY IT RIGHT!

Many players like to devise their own 'house' MONOPOLY rules. This is fine, but such rules often make the game last longer. In the official rules players may never loan each other money or trade 'promises' not to charge rent in the future, etc. All tax and penalty fees are payable to the Bank and should not be stored under the Free Parking space or anywhere else!

HERE'S HOW TO PLAY

HOW DO I WIN?

Be the only player left in the game after everyone else has gone

Do this by: buying properties and charging other players rent for landing on them.

Collect groups of properties to increase the rent, then build fan stands and arenas to really boost your income.

WHO GOES FIRST?

Each player rolls the two dice. The highest roller takes the first turn.

ON YOUR TURN

1. Roll both dice.

Land? below.

- 2. Move your token clockwise round the game board the number of spaces shown on the dice.
- 3. You will need to take action depending on which space you land on. See Where Did You

COLLECT

AS YOU PASS

₩200 SALARY

4. If your move took you **onto or** past the GO space, collect ₩200 from the

5. If you rolled a double, roll the dice again and take another move (steps 1-4).

Watch out! If you roll doubles 3 times on the same turn, you must **Go to Jail**.

6. When you finish your move and action, pass the dice to the player on your left.

HELP! I'M IN DEBT!

If you ever owe the Bank or another player more cash than you have, try to raise the money by selling buildings and/or mortgaging properties.

If you still owe more than you have, you are **BANKRUPT** and out of the game!

- ◆ Pay whatever money you were able to raise.
- ◆ If the debt is to another player give them all your mortgaged properties and any Get Out of Jail Free cards. The player must pay 10% interest on each mortgaged property, even if they don't want to pay off the mortgage yet.
- ◆ If your debt is to the Bank all your mortgaged properties must be put up for auction. These are sold unmortgaged (face up). Return any Get Out of Jail Free cards to the bottom of the appropriate piles.

Auction bids can only be made in cash. Any player can start the bidding for as little as #1. If no one makes a higher bid, the last player to bid must buy the property.

If another player lands on one of your unmortgaged

DON'T WAIT FOR THE DICE!

3: BUILD

When you own all the events in a colour group, you can buy fan stands from the Bank and put them on any of those events.

- In the listed price of each fan stand is shown on the event's **Title Deed**. i The listed price of each fan stand is
- ii You must build **evenly**. You cannot build a second fan stand on an event until you have built one on each event of its colour group.
- iii You can have a maximum of 4 fan stands on an single event.
- iv When you have 4 fan stands on an event, you can exchange them for an arena by paying the listed price on the Title Deed. You can only have one arena per event and cannot build additional fan stands on an event with an arena.

Important: you cannot build on an event if any event in its colour group is mortgaged.

Building shortage? If there are no buildings left in the Bank, you must wait for other players to sell theirs before you can buy any. If buildings are limited and two or more players wish to buy them, the Banker must auction them off to the highest bidder.

4: SELL BUILDINGS

Buildings can be sold back to the Bank at half the listed price. Fan stands must be sold evenly in the same way that they were bought. Arenas are sold for half the listed price and immediately exchanged for 4 fan stands.

5: MORTGAGE PROPERTIES

If you're low on cash or don't have enough to pay a debt, you can mortgage any of your unimproved properties. You must sell all buildings on a colour group to the Bank before you can mortgage one of its events.

To mortgage a property, turn its Title Deed card face down and collect the listed value (shown on the back of the card) from the Bank. To **repay** a mortgage, pay the **listed value plus 10%** to the Bank then turn the card face up. Rent cannot be collected on mortgaged properties.

6: DO A DEAL

group to the Bank before you can sell one of its events. Property can be traded for any combination of cash, other property or Get Out of Jail Free cards. The amount is decided by the players making the deal. Mortgaged property can be sold to another player at any agreed price. After buying a mortgaged property, you must either **repay** it immediately or just pay 10% of the listed value and keep the card face down; if you later decide to repay the mortgage to the Bank, you will have to pay the 10% fee again.

You can do a deal with another player to **buy** or **sell**

unimproved property. You must sell all buildings on a colour

Remember: your aim is not just to get rich. To win you must make every other player **BANKRUPT!**

1) AN UNOWNED PROPERTY There are three types of property:

then take the Title Deed card that matches the

property and place it near you, face up.

You can **buy** the property you land on for the **listed price** on the board space. Pay the Bank.

If you **don't** want to pay the listed price, the property goes up for **auction**.

When buying property you should plan to acquire groups.

For example:

if you buy a green event, you should try to get the other two green events during the game. Owning groups earns you more rent when other players land on them and lets you build on your events for even bigger profits.

2: A PROPERTY OWNED BY ANOTHER PLAYER

If you land on another player's property you must pay rent to them as shown on the Title Deed card. You do not pay rent if the property is mortgaged (its Title Deed is face down). **Important:** the owner must **ask** you for the rent before the player to your left rolls the dice. If they forget to ask, you don't have to pay!

The rent for an **unimproved** event is printed on the matching Title Deed card. This is **doubled** if the owner owns all events in its colour group and none of them are mortgaged. If the event is **improved** with fan stands or arenas, the rent will be much higher – as shown on the Title Deed card.

Festivals

Rent depends on how many festivals the other DREAMMACK FESTIVAL player owns.

Festivals: 1

ESL SHOP US ESL SHOP EU

Roll the dice and multiply the result by **4** – this is the rent you must pay. If the owning player owns both ESL shops, multiply the result by 10!

3: CHANCE or COMPANY MAIL

wants to buy the same building(s).

The Banker holds an auction when:

◆ A player lands on an unowned

property and decides **not** to

buy it for the listed price.

unmortgaged (face up).

Take the top card from the appropriate pile. follow the instructions on it immediately, then return it face down to the bottom of the pile. If it is a Get Out of Jail Free card, keep it until you need to use it or sell it to another player.

You can do the following even when it isn't your turn -

properties, you can demand rent from them as shown on the

Title Deed - see Property Owned by Another Player below.

◆ A player goes **bankrupt** and turns over all his or her

mortgaged properties to the Bank, which are auctioned

◆ There is a **building shortage** and more than one player

even if you're in Jail!

1: COLLECT RENT

2: AUCTION

Important: You do not collect ₩200 for passing GO if you are sent to Jail. As soon as you are sent to Jail. your turn ends – pass the dice!

Other ways to end up in Jail:

5: GO TO JAIL

immediately.

If you land on this space, you must

move your token to the Jail space

on your turn.

GO TO

Q: How do I get out of Jail?

A: You've got three options..

- i Pay #450 at the start of your next turn, then roll and move as normal.
- ii Use a Get Out of Jail Free card if you have one or buy one from another player. Put the card to the bottom of the appropriate pile, then roll and move.
- iii Wait three turns. On each turn roll the dice; if you get a **double**, move out of Jail and round the board using this roll. If you do not get a double on your third roll, you must pay #450 to the Bank then move the number of spaces rolled.

6: JAIL (JUST VISITING)

Don't worry! If you finish your normal move on the Jail space, nothing

happens. Make sure you nut your token on the JUST VISITING section.

7: FREE PARKING

Relax! Nothing bad (or good) happens.

8: A PROPERTY THAT YOU OWN

Nothing happens. But you're not making any money!
